1. **BLUE SHIELD CHEMICALS**  
Blue Shield Chemical Liquid Chlorine, Shock Treatment, Algicide, Pool Season Water Clarifier

2. **AQUA RITE SALT CHLORINATOR**  
Automatic salt chlorinator for pools up to 18,000 gal.

3. **HAYWARD SALT & SWIM ABG**  
Automatic salt chlorinator for pools up to 23,000 gallons. Reduces chlorine costs by 50% or more.

4. **HAYWARD CHLORINE FEEDER**  
The automatic chlorine feeder is large enough to provide a 3 week supply of stabilized chlorine.

5. **SAND FILTER OR CARTRIDGE**  
Designed to provide the best filtration through fine silica sand or a single element cartridge.

6. **NATURE2 VISION PRO SYSTEM**  
An all-in-one chlorine and mineral system that will help keep your pool sparkling clean.

7. **MAINTENANCE PACKAGE**  
Leaf skimmer, backwash hose (50’) + clamp, combo hooks, thermometer, test strips, vacuum head (triangle), vacuum pole and wall brush.

8. **LED LIGHT**  
Includes an easy to use remote control and ability to change/create custom color options. Parts made out of UV and shock resistant. It is the easiest to install and most durable on the market.

9. **DOLPHIN E10 ROBOTIC CLEANER**  
This pool cleaner’s sleek innovative design allows for maximum manoeuvring through your pool — allowing you to enjoy your pool, instead of worrying about it.

10. **KONTIKI AUTOMATIC POOL CLEANER**  
This suction cleaner keeps your pool free of dirt and debris, allowing you more time to enjoy your pool. With only ONE moving part, it’s easy to maintain, and easy to use.

11. **POWERFLO ABOVE GROUND PUMP**  
1 HP High-performance pump features durable, corrosion-proof engineering and quiet operation. High-performance impeller and heat-resistant, drip-proof double-sized seal extend the motor lifespan.

12. **POWERFLO MATRIX PUMP**  
Features an industrial-size strainer basket to collect a lot of debris without a lot of maintenance. High quality Noryl impeller prevents clogging by leaves and large debris.

13. **POOL HEATER**  
Enjoy a warm and extended season of comfortable swimming and family fun in your heated pool.

14. **SLIDE-N-LOCK A-FRAME LADDER**  
This premium a-frame ladder is adjustable from 48” to 56”. It features a ‘slide-lock’ design where the exterior ladder section can slide up and be locked to form an additional entry barrier.

15. **SELF LATCH ENTRY SYSTEM**  
This entry system features a step on the outside of your pool and a ladder on the inside to minimize obstruction. It has a self-closing, self-latching & lockable gate for safety. It is adjustable from 48” to 56” with a 12” top rail.

16. **32’ IN POOL FULL STEP**  
At 32’ wide, this step includes two sets of deck mount flanges. It is adjustable for 46” to 60” deck heights.

17. **FANTAIL SURROUND DECK**  
The Model FD Deck system’s surface measures 60’ x 164’ & is designed to fit pools 48’ to 56’ in height. This deck will fit round pools 18’ to 30’ & oval pools with radius ends of 18’ or greater and has a load capacity of 3,000 lbs.

18. **PREMIUM RESIN POOL FENCE SYSTEM**  
Premium fence kit models include pickets that are flat stock oval with a double reinforcing rib within for greater strength. The oval pickets are not only stronger they also offer a nicer appearance on the pool.

19. **SOLAR COVER REEL**  
The Solar Cover Reel System is designed to fit most above ground pools (13’4”–28’w). Our reel system will make using your solar cover a breeze. (Available in two styles.)

20. **FABRENE WINTER COVER**  
Made from lightweight woven polyethylene fabrics that offer extremely high tensile strength and tear resistance.

21. **SOLAR BLANKET**  
With their efficient heating properties solar blankets can extend the swimming season.
NAMCO POOL PROTECTION PLAN (PPP)

THE NAMCO POOL PROTECTION PLAN PROVIDES 100% FULL COVERAGE ON ALL PARTS AND LABOR FOR YOUR NAMCO BOUGHT AND INSTALLED SWIMMING POOL.

Namco pools already come with a standard limited manufacturer’s warranty – that only covers parts, and in most cases is pro-rated.

PLAN BENEFITS

• 100% coverage on parts and labor.
• No Deductibles.
• No Hidden Charges.
• 2-3 years starting from the date of installation.
• No Limit to the number of repairs up to the purchase price.
• Pumps and filtration systems due to electrical failure under normal use.
• Seam separation of pool liner due to a manufacturer defect.
• Breaking, bending or warping of pool frame and wall due to a manufacturer defect.
• In-home service... If we can’t fix it, we’ll replace it!
